Words of Appreciation.

Mr. Editor: Please insert the following in your valuable paper:—On the train on route for the Round-trip of Veterans, at Augusta, Ga., I met Mr. Zeke Matthews, from Newberry. Had never met him until that time, but as no formality exists between old soldiers, we soon became acquainted, and "fought our battle over" with a sea pleasure.

For old our companionship end here. I took me under his protection, carried me along, and introduced me to many soldier friends, the warm clasp exchanged, showing the favor, in which he was held, while the Army. His greeting, "God bless you—fellow soldiers," was heartily given, and instead of courting the favor of officers, he took position among poor, dependent soldiers; not only offering kind words among them, but saying that they, too, might enjoy glad reunion.

Will ever hold this dear friend, in grateful remembrance for the kind sympathy and follow feeling towards me, and wish him to know that I appreciate the same, through columns of your valuable paper. I wish me to take in the Exposition with him; which I may do, but not at expense of his generous offer. Veteran.

For Stomach Troubles.

I have taken a great many different medicines for stomach trouble and constipation, says Mrs. S. G. Golder of Dunklin, Iowa, "but never had as good results as from Chamberlain's Stomach and Liver Tablets." For sale by W. E. Pelham & Son.

VARIOUS AND ALL ABOUT.

Court Monday.

This is St. Valentine's day.

The weather has been delightful for the past few days—a little too cold.

Thursday of next week is the last day to make your tax returns—without the 50 per cent. penalty.

We have been requested to state that there will be preaching at King's Creek church on the 4th Sunday in this month, at 11 o'clock.

The subject for the medal essay of the graduating class of Newberry college has been given to the members of the class. The subject is, "Dreamers."

Mr. A. C. Jones was elected a member of the executive committee of the Y. M. C. A. of this State at the annual convention in Columbia a few days ago.

Mr. J. A. Kibler has moved his family from Columbia to Newberry, and will occupy a house on Mr. M. B. Caldwell's place, about two and a half miles from town.

Contractor Davis has laid off the ground plan and will soon begin work on a handsome residence for Dr. J. M. Kibler on his Main Street lot adjoining the Episcopal church lot.

The State Bar Association meets in Columbia today. Col. O. L. Schumpe, of this city, is a member of the reception committee, and the lawyers of the State who attend will have a good time.

The Y. M. C. A. at the annual convention held in Columbia last week was invited to hold their next annual meeting in Newberry. The invitations were referred to a committee to be reported on later.

The Sheriff has only a few prisoners to try next week, but considerable business was carried over from last court on account of the flaw in the jury law. We will likely have a full week of court.

The Supreme Court has affirmed the decision of the lower court in the case of Jefferson A. Sligh et al, respondents, vs. Geo. W. Bowers et al, appellants. This is the school case of which a great deal has been said of late.

Mr. Wm. Johnson had probably the oldest dog in the county killed at his home in the city a few days ago. The dog was over twenty years old, had gone perfectly blind in both eyes and was deaf. The dog was killed to put it out of its misery.

Personal.

Dr. D. L. Boozer is spending a while at his old home in Columbia.

Mrs. L. W. White, of Abbeville, is visiting in the city this week.

Academy Postmaster Bynum went to Columbia yesterday afternoon on a business trip.

The Laurensville Herald says Miss Claudia Tryb is visiting relatives in Newberry.

Mrs. Daggett, of Wilmington, N. C., is in the city visiting her daughter, Mrs. J. E. Norwood.

Mr. W. M. Dorroh, who has been visiting Mr. N. P. Whitmore in Greenville, has returned to his home in this county.

Rev. T. W. Sloan, of Abbeville, has been in the city this week visiting. He will return to Abbeville tomorrow with his family.

Mr. Tax Senn yesterday moved his family back to his home place in the country. Mr. Senn has been clerking for E. M. Evans & Co.

He Kept His Leg.

Twelve years ago J. W. Sullivan, of Hartford, Conn., scratched his leg with a rusty wire. Inflammation and blood poisoning set in. For two years he suffered intensely. Then the best doctors urged amputation. "Bury" he writes, "I used one bottle of Electric Bitters and 12 boxes of Bunkley's Arnica Salve and my leg was sound and well as ever." For Eruptions, Eczema, Tetter, Salt Rheum, Sores and all blood disorders Electric Bitters has no rival on earth. Try them. All druggists will guarantee satisfaction or refund money. Only 50 cents.

Story Tell Items.

Mr. Editor: I will attempt to write you a few items from this community for your valuable paper.

A negro living on Mr. Geo. Hunter's place was accidentally shot by another negro while out hunting last Saturday. He is thought to be seriously wounded. We have been having some very cold weather.

Mr. and Mrs. Merrick visited her mother, Mrs. Hunter of this community a few days ago.

Mr. J. L. Whitman and family have been visiting in this section.

Mr. I. B. Bodenbaugh and sister visited in this community recently.

"Chips" spoke in his last letter about his free rural delivery of mail. We have had it daily for some time, in fact we had the first in the county, if not in the State. He says if he could get it daily he would be in town. We are already in town here among the rocks, and a lively wide-awake town it is too amidst the ringing of these rocks.

The farmers will soon have to get a hustle on them, as planting time is coming.

We have preaching every Sunday in the month except one, the 3d. We also have a very prosperous Sunday-school. Much success to the Herald and News.

"I have used Chamberlain's Cough Remedy for a number of years and have no hesitancy in saying that it is the best remedy for coughs, colds and croup I have ever used in my family. I have no words to express my confidence in this remedy.—Mrs. L. H. Moore, North Star, Mich. For sale by W. E. Pelham & Son.

THE TEMPERANCE TREAT.

An Interesting Exercise and a Large Crowd of Happy Children

In Tuesday's paper we published a list of those who were entitled to and had been awarded the prizes by the Band of Hope for the past year.

Promptly at 4 o'clock Tuesday afternoon the Thomson Street Church was full of happy children and the exercises began. The exercises included songs and recitations, all of which were nicely and perfectly rendered.

The interior of the church, around the pulpit, had been decorated for the occasion with evergreens, which formed a beautiful background for the perfect mound of books, packages and bags of candies and fruits. Suspended across the chancel hung in silver letters the motto for this year, "Excelsior."

After a brief address by Mrs. Redus, in which she earnestly asked those present to strive to make the coming year's record better than that of any previous year, and that they should always keep in mind the sentiment of the temperance organization, "My head, my heart, and this right hand, for God, for Home, and Native Land," the prizes were distributed, and all went home with the resolution to make the coming year the brightest in the history of the society.

JOHN DUNCAN.

One Hundred and Fifty Years Since He Settled in Newberry County.

Editor of The Herald and News:

In the article on Newberry contained in Robert Mills' "Statistics of South Carolina" (published 1826) we read as follows:

"In the year 1752, (three years previous to Braddock's defeat) Mr. John Duncan, a native of Aberdeen, in Scotland, that had formerly emigrated to the province of Pennsylvania, removed to this section of the country, and settled on a creek in this district, now bearing his name."

"Mr. Duncan was at this time the highest settler in the fork between Broad and Saluda rivers, by ten miles, his nearest neighbor was Jacob Pennington, living on Ennoree river below; he was the only man at this time that had either negro, wagon, or still, in this part of the world."

It will be seen that it is exactly 150 years since John Duncan settled in what is now Newberry county. Attention is called to this anniversary, as it may interest some of your readers.

AN INTER-COLLEGIATE UNION.

A Meeting in the Interest of One Being Held in Charleston Today.—President Geo. B. Cromer Represents Newberry College.

Friday and Saturday, 14th and 15th of February, there will be held in the library of the College of Charleston a meeting of delegates from the various colleges of South Carolina. During the session of the Southern Educational Association at Columbia during the Christmas holidays there was a meeting of the representatives of the colleges of the State present at the Association and measures for the formation of an inter-collegiate union were informally discussed. The meeting this week of the delegates appointed by the faculties of the several colleges is for the purpose of forming a definite organization with a view to a better harmony and mutual interests in the work of higher education of the State.

The representatives of the colleges who will meet on Friday at the College of Charleston are as follows: College of Charleston, Prof. Harris; Clemson, President Hartzog; Erskine, President Pressly; Furman, President Montague; Newberry, President Cromer; South Carolina College, President Woodward; South Carolina Military Academy, Superintendent Coward; Wofford, Prof. Rembert.—News and Courier.

Something that Will Do You Good. We know of no way in which we can be of more service to our readers than to tell them of something that will be of real good to them. For this reason we want to acquaint them with what we consider one of the very best remedies on the market for coughs, colds, and that alarming complaint, croup. We refer to Chamberlain's Cough Remedy. We have used it with such good results in our family so long that it has become a household necessity. By its prompt use we haven't any doubt but that it has time and again prevented croup. The testimony is given upon our own experience, and we suggest that our readers, especially those who have small children, always keep it in their homes as a safeguard against croup. Camden, (S. C.) Messenger. For sale by W. E. Pelham & Son.

NEWBERRY CIRCUIT.

Pastor Boyd Writes of His Work and His People to His Church Paper.

We have entered hopefully upon our 3rd year on Newberry Circuit. I have every reason to believe that my return is agreeable to our people. We have had no "Foundings," but very many tokens of appreciation from our people, consisting in flour, back-bones, spare-ribs, sausages, lard, potatoes, can goods, honey and four fine Turkeys from different friends. Now, who would not render the best service possible to such a people?

Our first Quarterly Conference was held yesterday here in the City of Newberry the rain having hindered the holding of the meeting at the time first appointed, December 27—28, 1901. Brother Herbert tendered us the use of his beautiful Church in which to hold the meeting, it being a central point for a business session and in easy reach of all the brethren.

Brother Child was with us in his usual cheerful mood, and presided in his free and easy manner. The Board of Stewards eighteen in number, were all present except two. We missed our true and faithful, life-long friend and brother, Gilliam Senn, who has been a faithful steward more than twenty years at Trinity Church, he having cast in his lot with Brother Dant's flock at Summerton. Our loss is their gain. His family is missed by us all. The Stewards made the same assessment of ministerial support as last year \$700 for pastor, which amount was paid in full last year with a nice surplus.

We reported quite a number of additions since our last Quarterly Conference, whose names had not been reported in our Circuit Conference Minutes. A weekly prayer-meeting is held at each church on the circuit. The Stewards reported \$62.50 for ministerial support and \$51.90 for other objects. It was our pleasure to have with us during the conference Brother Herbert of Central Methodist Church and Brother Edwards the new pastor of O'Neill Street Methodist Church. Brother Edwards has already won the hearts of his people, and, multiplying friends by scores. Brother Herbert is to be our Conference host. I have already spoken to him to give me a good place to stay.—D. P. Boyd in So. Christian Advocate, 13th.

Harris-Suber.

The Suber home in the Walton section of this county was the scene of a happy and enjoyable occasion on Wednesday 12th instant, where the marriage of our popular townsman, Mr. M. Harris and Miss Ida Suber was solemnized in the presence of relatives and a few invited friends. The marriage ceremony was conducted by Rev. J. J. Long in a beautiful and impressive manner, at 1 o'clock in the afternoon. The bride and groom arrived in Newberry Wednesday afternoon and will make their home at the Harris residence in "Brooklyn," where a most delightful dinner was spread of which they and their invited friends partook much to the enjoyment of all.

The Herald and News joins their many friends in extending congratulations and wishes them a long life of happiness and pleasure.
